3. Harvard Limits Agency to One Space Per Year in Advanced Program

The Administrative Director of Harvard's Advanced Management Program telephoned the OTR Registrar on 8 November to confirm an earlier report that from now on the Agency can count on only one space per year in the Advanced Management Program. Pressure from various institutions for space compelled this decision. This means that the Agency's nominee for the spring 1969 course, [REDACTED] of DDS&T, will not be attending.
